GRAND LODGE MEMBERSHIP MANAGEMENT SYSTEM

A member management system designed to support the comprehensive needs of the Grand Masonic Lodges. Featuring basic tracking of lodges, Lodge Memberships and Members and a number of customizable features.

Environment:

- Microsoft SQL Server data storage
- Microsoft Access 2000 or later on the desktop
- Windows Desktop Operating System - XP Pro or Windows 7 recommended
- Broadband Internet Access via DSL or Cable

Costs:

- Conversion of existing data to SQL Server schema
- Possible upgrades of hardware and software
- Customize for specific GL requirements
- Ongoing maintenance

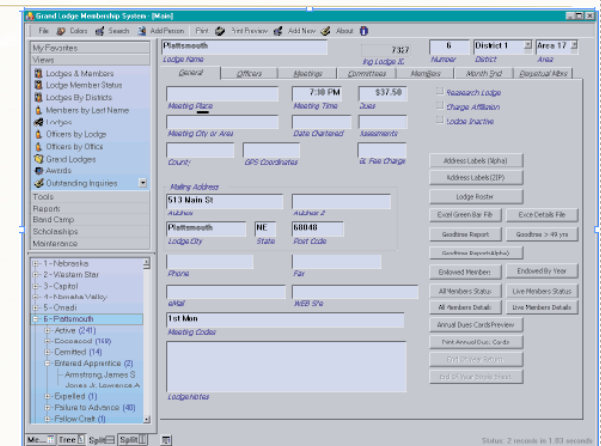

Optional Features:

- Lodge Secretary website allows remote ability to view and change Grand Lodge records
- Correspondence and inquiries tracking
- Scholarship Program
- Constituent Lodges Directory or Roster
- Annual Communication Registration and Voting Conference and Seminar Registration
- Band Camp Programs
- Track Esoteric Work records
- Create ad-hoc queries as needs dictate
- Remote Hosted Service for Smaller Grand Lodges
- Ongoing Maintenance

LODGE AND MEMBER INFORMATION AT THE CLICK OF A MOUSE

GLMMS includes a flexible and powerful menu system that affords rapid lookup of lodge and member information. It is easily modified and customizable.

- Track multiple addresses/emails, phone/fax/cell numbers, websites and service awards for each Mason.
- Tracking and dynamic calculation of Good Time for each Mason.
- Track the status of each mason on both a Lodge and Member basis

SAVE TIME WITH EXTENSIVE REPORTING AND EXPORTING TOOLS

GLMMS offers extensive reporting and exporting capabilities. Grand Lodges can now generate various certificates and documents easily and accurately.

- Generate Dues Cards on an Ad Hoc basis and Annual Basis
- Generate and Process Annual Returns and Distribute Per Capita Fees to Funds
- Tracking of Officer Information Both at the Lodge and Grand Lodge Level
- Automatically calculate Lodge and Mason Status based on Masonic events stored in system

IMPROVE COMMUNICATION WITH OTHER GRAND LODGES

Address and contact information for all Grand Lodges is easily accessible. In addition, GLMMS allows for automation of selected correspondence to other Grand Lodges

MANAGE YOUR GRAND LODGE MEMBERSHIPS WITH EASE

- Supports Plural Memberships in Other Jurisdictions, and Supports Endowed Membership, Perpetual Membership or Life Membership Programs.
- Track Lodge Membership and Lodge Details for Both Lodges in the Jurisdiction and Lodges in Other Jurisdictions
